Week of November 1st

1 JOHN 2:1-6

1. How can we avoid the deception of thinking that we are walking in the light, when really, we're walking in the darkness?
2. Was there a time when you questioned your assurance of salvation? What were the circumstances that caused you to know that you truly were saved?
3. Why do you think that many in the Church are having less and less of a problem with politicians that support abortion?
4. There is strong evidence for the Bible having been written before the end of the first century and strong evidence it has not seen corruption. Why then do many in the church question it's authority?
